

GAMESTAR®

CHAMPIONSHIP GOLF THE GREAT COURSES OF THE WORLD™

Volume I: Pebble Beach

"...works right up there with flight simulators and GOLF among all simulations."

—Steve Alspach, PC LETTER

You are there. Pebble Beach. You're looking out over one of the most beautiful, and challenging pieces of gold real estate in the world. Here's a computer simulation that authentically recreates every aspect of the stated course.

So go ahead. Tee it up on number 1. It's only 6000 yards to the 18th green. And Pebble Beach will make you work for every inch of it.

For IBM PC/PCjr, Tandy 1000.

Dedicated exclusively to creating outstanding computer sports simulations for sports fans of all ages.

Experience the realism of lifelike animation and live-action sound effects. Enjoy the challenge of making strategic choices as you play with a friend or against a highly sophisticated computer opponent. Enter the big leagues of computer sports with Gamestar software.

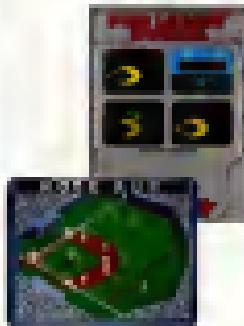

ON-COURT™ TENNIS

"...all the strategy and finesse of the real game."

—Video Game Update

Play solo or against a world-class computer player or head-to-head with a friend. Your every swing, lark and lunge is true-to-life, with Gamestar's Player Perspective Graphics™. Choose your style and your favorite playing surface. For Commodore 64/128, Apple II Series, Atari 800 XL/XL Companion, For Macintosh [Championship Star League™ Tennis].

STAR LEAGUE™ BASEBALL

"A classic, and still the best action computer baseball game."

—Amen Kots

There are baseball games, and there are baseball games. But there's nothing quite like STAR LEAGUE BASEBALL. You'll think you're right out on the field—or standing over home plate.

One of the top selling baseball games of all time! Winner of 1984 "Video" 1984 "Golden Hoppy" Best Sports Game, 1983 CES Superior award.

For Commodore 64/128, Apple II Series, Atari 800 XL/XL Companion, For Macintosh [Championship Star League™ Baseball].

STAR RANK™ BOXING

"...definitely the sports game of the year...the effect is so real you almost feel it."

—Scott A. May,
Columbus Daily Tribune

There's a new super champ in the ring—Star Rank Boxing. State of the art graphics. Amazing depth of play. Experience all the aspects of championship boxing, from training camp to the final bell. Choose your boxing style and fight your way up from distant contender to world champion.

For Commodore 64/128, Atari 800 XL/XLII.

ON-TRACK™ RACING

"...put you in the fast lane!"

—John Kasper,
Canadian TV Guide

Experience the excitement of real Grand Prix racing from beginning to end. On-Track keeps the pace fast and your adrenaline pumping. Total Track™ graphics always let you know where you and your opponents are.

For Commodore 64/128, Atari 800 XL/XLII.

ON-FIELD™ FOOTBALL

"...one of the best football games available for any computer system. This one has to be seen!"

—Mark Cottam,
Commodore PowerPlay

Play complete football like you're on the field yourself. A unique animation technique puts you right in the middle of the action, not in the press box. You select the players and call the plays.

For Commodore 64/128, Atari 800 XL/XLII. (Star Bowl Football).
